APPENDIX D: INTERVIEW QUESTIONS

For everyone interviewed:

- Where do you work?
- What is your job?
- How many years have you been involved in coalitions/networks working on community development, community organizing and/or urban environmental issues?
- What coalitions/networks have you been affiliated with that brought together diverse groups to work on these issues?
- What are the advantages or benefits to coalitions or networks? When are they useful and when are they not?
- Based on your experience, what are the key lessons you have learned about developing and sustaining an effective coalition: mission and goals; governance; membership; leadership development and transition; creating and maintaining diversity; operations/staffing; funding.
- What do you see as the emerging issues/trends shaping the fields of community development, community organizing and/or urban environmental issues in the Bay Area?
- Are there other coalitions/networks we should contact in this area or in other parts of the country?
- Are there other people we should be talking with?

Additional questions for people representing networks working on a regional basis in the San Francisco Bay Area:

- What is the organization's purpose and core activities?
- What is the current operating budget?
- How many staff do you employ? What is the FTE?
- How many offices do you have and where are they located?
- How many organizations belong to your coalition/network?
- Can you provide us with a membership list?
- Are there individuals/organizations in your coalition/network that you think we should talk to?
